

We have a very active Scout Group at Samford and provide youth members aged 5 to 25 with fun and challenging opportunities to grow through adventurous activities that a regular school program can't provide.

Our youth led and adult supported approach ensures that we contribute to the education of young people in achieving their full physical, intellectual, emotional, social and spiritual potential as individuals, as responsible citizens and as members of their local, national and international communities.

Parent/Guardian Support is Essential

Scouting is a shared responsibility between the volunteer leaders and parents. So be prepared to get involved within the Scout Group to support the delivery of the Youth Program. Parent support roles are tailored to suit skill sets and time availability. Consider becoming a Leader to participate in the adventure – all training is provided, learn new skills including community recognised VET qualifications, have fun and contribute to the future of our youth.

Joining as a New Member

The enrolment of Youth Members into the Scout Movement is achieved by the completion of a Youth Member Registration Form <https://www.samfordscouts.com.au/youths-join.html> and the payment of the appropriate fee. The Youth Member's membership and insurance commences on the date of this application. The new Youth Member then attends approximately four to six weekly meetings before being invested. A uniform is required to be sourced and worn before investiture.

Obtaining a Uniform

All uniform and scout items are to be purchased directly online from the Scout Shop: <https://scoutshop.com.au/>
Parents/guardians can purchase a shirt immediately without the requirement to log-in or create an account. Our uniform consists of (1) the Scouts Australia shirt with scarf and woggle (2) beige (sand or stone) coloured short or long pants (a must for official events).(3) For Group activities and meetings, non-branded clothing in navy blue or black may be worn below the waist. Denim is not to be worn. (4) Neat, practical footwear is to be worn which is an individual choice of shoes, boots or joggers in black or brown colour only. (5) A broad brim hat is to be worn outside during daylight hours. Scouting Australia badges and district badges will be issued to your Scout once the full registration process has been completed, the Introduction to Scouting & Section completed and then the investiture ceremony conducted.
