Notes

All personal items should be named with the Scouts first and last name

Please do not send any aerosols. The propellant damages the fabric of the tents and some kids get asthma if they are sprayed in confined areas.

You are able to bring mobile phones for photograph purposes only, please ensure that if you do take photos of other scouts that you have their permission to do so before taking the photographs. Please leave all other electronic devices at home.

Please note that items such as camera/mobile phones are brought at your own personal risk. Make sure everything is named.

If bringing medication, please bring a note signed by your parents with instructions.
